“ Just wanted to let the family know that I am still keeping you in my thoughts and prayers. I met Rhonda at McDonald's and worked with her throughout the years. Over time as our friendship grew so did my love for her. She is was just an exceptional lady who I just loved! I will always hold such a special place in my heart for her because of our friendship, the coincidence of two of our kids being born in the same year and because of our birthdays being opposite of each other in the same month! I had hoped that we would have got to celebrate our 50th birthday's together this year, but I know that she will be rejoicing and celebrating in Heaven! I love you to the moon and back Rhonda!

“ My dear sweet friend you have been such a part of my life since our sons met. I cherish the memories of all the fun and laughs and almost getting eaten by a wolf and so what if we burnt a pot of beans occasionally it was things we shared and we still would giggle about those things. I know your family will have an empty spot in their hearts but all the wonderful memories of having you in their life will help fill that void a little. So many people loved you, I know I did and I feel like the luckiest person on this earth to have had you as my friend. Even though I can't say it directly to you now I want you to always know "Love You Girl" From Pat, Grant & Lacy

Andy- My thoughts are with you and your family. I know there is a hole in your heart. Lean on the Lord, your family and friends to help fill it. The quiet times are the hardest. Hold your memories close to your heart and they will comfort you.
