“ I loved Rhonda's outgoing personality. We first met at my hair salon in Goodman, Mo. She and I had alot to talk about. She spoke of her children, her grandbabies, and how she loved them. She came in often just to talk, tan, or see about new hairstyles she wanted. I just saw her last week. We will miss her smile and contagious friendliness. I'm so sorry for your family.
Prayers for your peace, and understanding.

“ You entered her home a stranger....you left an hour later family....her and tony were best friends to me and my wife...we spent countless hours together....we left Texas in 1994 and I didn't see her again until 2012...it was nice to see that she hadn't changed....she was still loud and Rhonda crazy....and the universe still rotated around her....there is a new star brightening the sky....and I will stare at it often and remember my wonderful friend....Every Thanksgiving I remember when I became family....

“ *She is an angel, she sang every time she came through our door. We loved her unconditionally. We spent alot of time together we went dirt roading, digging wild flowers. We floated the river every chance we got. She was there for me when my husband has been in and out of the hospital. I was with her Saturday, we went on a road trip and saw a beautiful sunset over the lakes. She lived well. She loved everyone. I will always be available if the family needs me Sherry L.*
