“ *As Richard’s pastor, he shared with me how two men (Delbert and Tim) persisted in visiting the Doyle’s Arizona home until they were persuaded to come to church and found Christ. Richard was underestimated intellectually and spiritually. He had keen spiritual insights and strong convictions. I loved his humor. One of my fondest memories of Richard was when he said to me, “Pastor, I want to pray for you.” We were in the aisle of Care and Share and he prayed as comfortably as if he were in our living room. He was often a visitor at our table and we counted him as a dear friend. Condolences to his family. Our prayers are with you.*

“ *A few years ago our family took dad on a road trip to his home state and favorite place in the world, the Seattle WA area. This photo was taken at one of his favorite places, Ruby Beach on the coastal section of Olympic National Park. We are so glad we took that trip with him and have many memories of the places he knew and loved so well.*

“ *Brother Richard Doyle was a dear friend to not just me and my family but to all the students at the school where he served as the physical education teacher. He also served as the mechanic for the schools vehicle and at times that seemed like a full time job. He did all this not for pay but for his love to his friends. We will hold him in our precious memories. Praying for comfort to all his family.*
