“ Mr. Rich was the best neighbor we had. His family was so welcoming to ours. I remember playing with Christine and attending all of the awesome birthday parties that he planned for her. My favorite was when Rich rented out a huge water park and blew it up in their front lawn. It was very sweet of him to allow all the neighborhood children to attend and celebrate Christine. I also loved seeing his car collection drive by our house everyday. He had the coolest cars. My brother would also say 'Mr. Honn I want that car when I grow up.' We are praying for the Honn family and our door is always open to them, just like theirs was to ours.
