“ I want to extend my deepest sympathy to Rick's family. I knew Rick when we were both teenagers. I thought he was the cutest guy in town. While he had no interest in me at all, he always treated me with kindness and respect. He was a good person, and I will always remember him. Rest in peace, Rick.

“ I was one of the original 12 that started to kindergarden together. Rick was always such a great guy with a smile on his face and a joke to tell..  
My mother was a friend of Mary's(his mother) and we visited often. We always had a great time and Rick had an adventure for us to go on, in the woods, haybarn, creek, ect. When he left to go to Subiaco he was greatly missed and we were thrilled when he'd come home to visit. He will be missed greatly again. He was a true friend and I feel as if I've lost a part of my child-hood in losing Rick.(I still have a diary with, "I love Rick Ryan" written on all the pages from when I was in grade school. I am so sorry for you loss.

“ Rick started kindergarten with the Class of 70. We were all together until he went away to school. We missed him then and will always have fond memories of a shared childhood. You've chosen a beautiful way to honor Rick. Condolences and may he rest in peace.
