“ To all the family; words cannot even say how sorry I am for your loss. Richie was like a big brother to me. I can remember all the times he would come to the house to rope, and him and Roy Don would tease me about my roping. I really looked up to him, He was a great person to be around, and always smiling. He will be missed greatly by all that knew him. May God comfort you through this very rough time. If there is anything that you need, please dont hesitate to let me know.

“ Earline and family, my heart was sadden on Monday when i heard about Richie. I know that my sadness is nothing compared to yours. I can remember about two or thre weeks ago i was in the break room at the same time as Richie and he had me laughing for the whole 20 minutes that i was there, that is some thing that i will have forever. May God wrap his arms around you and the family at this sad time in your life. My prayers are with all of you.

“ To all of Richie's family, Let us extend our deeepest sorrow. We have known you Erline and Ruth for many years, and Richie was our neighbor for a few years, and we thought he was a fine young man! He used to stop and just visit with us for a couple of hours or so and would tell us that he just wanted to stop by and check to make sure we were okay and just talk a while. We enjoyed him so much. God Bless you all. Our prayers are with all of you. Love, Jack & Pat
