“ *This was a hard one for Wes and I.....Rick came in our parts store often, we referred to him as our Mopar guy. He would come in, order his parts and then walk to the door of my office and say, hey Vic. He was one of the sweetest guys we had ever met. We met the rest of his family years later and knew why. They're the best. Until we meet again Rick Steele.....Love always, Wes and Vicki Marshall*

He was a friendly and great guy. No matter where you were, if he seen you, he'd stop and visit. Rest in peace, Rick.

“ My deepest sympathies goes out to Ricks entire family. I was heartbroken to hear this. I worked with Rick and Randy and Amy at Franklin Electric. We became good friends during that time and we had some fun times. He was always sincere and caring guy and willing to help me with anything I asked. Im sorry to say that we had lost touch since I moved away but he was frequently in my thoughts. I will miss the fun times we had, the bike rides, the meet and eats, and our long phone conversations. I feel a little piece of me left with him. Miss you brother, Hope we meet again!
