“ I send my prayers, love and thoughts to Ricks family and friends..I didnt know the news about Rick until today, sept 10th. I am so sorry, I am still stunned about finding out about his passing. I just want to say, he was truely my friend, and we shared a lot of good times together as friends and through our music. He was one of the best bass players around. He will always be remembered.

“ I love Rick with all my heart. I am so thankful I got to know him as well as I did. It hurts so much to know he's no longer here in person but I know he will always be watching. He was as much my inspiration as he said I was his. He kept going even when he was hurting really bad. There will NEVER be a day go by that I won't think about him. You are a very special family to me because of him. I will always love you all very much and know that I will always LOVE HIM DEEPLY.
