“ *In high school, Robert always had a smile and a wave for everyone. He always wanted everyone to think he was so big and bad, but he was really a big teddy bear. Robert always tried to stick up for people, and I was one of those. I am deeply sorry for your loss, but I am happy that he had found happiness.*

“ Sorry to hear about Berty. Berty was a great friend with a smile and heart as big as Texas. I had the opportunity to travel with Berty to a few bullridings towards the end of his bullriding days. Now you wanna talk about a guy who was full of surprises and a barrel full of laughs. He always had an excuse when it came his turn to drive, but you couldn't help but laugh cause it was always some crazy off the wall excuse. Robert was always the type of guy who stood up for what he believed in , and if he didn't think it was right he was gonna let you know. Lord be with the family suffering the loss of a great young man. BERTY it's been fun. Happy trails buddy. See you at those Perly Gates

“ So sorry for your loss. We love you all. This song keeps coming to mind so I thought I would share.

*When I get where I'm going
On the far side of the sky
The first thing that I'm gonna do
Is spread my wings and fly*

*I'm gonna land beside a lion
And run my fingers through his mane
Or I might find out what it's like
To ride a drop of rain*

*Yeah when I get where I'm going
There'll be only happy tears
I will shed the sins and struggles
I have carried all these years
And I'll leave my heart wide open
I will love and have no fear
Yeah when I get where I'm going
Don't cry for my down here*

*I'm gonna walk with my grand daddy
And he'll match me step for step
And I'll tell him how I missed him
Every minute since he left
Then I'll hug his neck*

*So much pain and so much darkness
In this world we stumble through
All these questions I can't answer
So much work to do*

*But when I get where I'm going
And I see my maker's face
I'll stand forever in the light*

*Of his amazing grace
Yeah when I get where I'm going
There'll be only happy tears
Hallelujah
I will love and have no fear
When I get where I'm going
Yeah when I get where I'm going*

“ *Sandy, I am so sorry for this loss.
It is not easy to lose anyone, but
losing a child, no matter how old,
has to be a very hard thing. My son,
Jake, and Robert used to rodeo with
each other....he was so upset when
I let him know. I have been praying
for you and your family, and I will keep
on doing that. Hold on to all the good
thoughts.....
