WHEN TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
all filled with tears for me;
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We did not get to say.*

*I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too.*

*But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
and said my place was ready,
In Heaven far above,
and that I'd have to leave behind
all those I dearly love.*

*But as I turned to walk away,
a tear fell from my eye
for all my life, I'd always thought,
I didn't want to die.*

*I had so much to live for,
so much left yet to do,
It seemed almost impossible,*

that I was leaving you.

*I thought of all the yesterdays,
the good ones and the bad,
I thought of all the love we shared,
and all the fun we had.*

*If I could relive yesterday,
just even for awhile,
I'd say good-bye and kiss you
and maybe see you smile.
But then I fully realized,
that this could never be,
for emptiness and memories,
would take the place of me.*

*And when I thought of worldly things,
I might miss tomorrow,
I thought of you, and when I did,
my heart filled with sorrow.
But when I walked thru heaven's gates,
I felt so much at home.*

*When GOD looked down and smiled at me,
from His great throne,
He said "This is eternity,
and all I've promised you."
Today your life on earth is past,
but here life starts anew.*

*I promise no tomorrow,
but today will always last,
and since each day's the same way
there's no longing for the past.*

*You have been so faithful,
so trusting and so true.*

*Though there were times
you did some things you knew you shouldn't do.*

*But you have been forgiven
and now at least you're free.
So won't you come and take my hand
and share my life with me?*

*So when tomorrow starts without me
don't think we're far apart,
for every time you think of me,
I'm right here in your heart.*

“ I went to school with Robert at Gentry. I don't know if his Mom or brothers will remember me, but I just wanted to say how sorry I am. Robert was a sweet guy and I have fond memories of him and what a great basketball player he was. My prayers are with you at this time.

“ Dear family,
I know that this is a tragic time in your lives. I can't put into words how much my heart aches for your family. All I can say is that we love you and are praying for you. Let us know if there is any way we can do anything for you. Remember that God is there to comfort and help you, all we have to do is ask. Robert was a special person to us and to God, remember He knows when a sparrow falls.
We will be seeing you,
Love,
