“ We grieve with you on the loss of baby Wyatt. There are no words to tell you how sad we are for you. We know where Wyatt is, and have that comfort. But for those left here, our hearts are saddened. Judy, Janie, Jerry, Jo and Jill (used to be Hopkins) and our families are thinking of you, cousins.

“ Brent & Sara, I know that you will never understand why this has happened to you, and that you will question it daily, But remember that it is not your fault and that nothing you did made you deserve this. You are in our thoughts and prayers and if you need anything just let us know and we will help as much as possible.
