“ My most sincere condolences go out to Mary Alice, Kevin, Kelly, Conrad & others grieving the loss of Bob. My memories of Bob & Mary Alice are truly unforgettable ones. From the eyes of a child (Pat & Vicki Carleton's son) I formed fond memories of their circle pool, hot tub, sheepdogs, Dr. Who (TV show), Bob & Mary Alice's unique laughs & cool older kids (Kevin & Kelly). My first visit to the Hurd house was a perplexing one. I remember asking my parents "If that's Bob, and there's Mary...where's Alice?" I was blessed to witness Bob & Mary Alice's friendship with my parents blossom over the years, providing me an example of how friends can stay in touch, remain loving, and provide endless support despite busy schedules, raising children, and changing times. Bob to me, was a man who was quick to joke, smile & laugh-something we could all do more of. I hope he knows that his contagious humor and laughter effected each of us, in its own way.

“ Mary Alice, Kevin, & Kelly. I was deeply shocked and am so sorry for your loss. I will fondly remember Bob in your gutter pumps around the campfire. I believe that those we love never really leave us, we will always carry them in our hearts. Mary Alice, when things slow down for you let me take you to dinner. If there is anything that you need, please do not hesitate to call.  
You are in my heart and my prayers.

“ We have been blessed to have known Bob. We will always treasure our parties and the famous float trip of Memorial Weekend. Bob kept up with the Indy 500 race/radio commentary with his canoe paddling. I think he made the end in record time. Mary Alice, Kevin and Kelly, please know that you are in our thoughts and prayers.

“ Our thoughts and prayers are with you and through the coming days. We are always here for you and sorry we could not make it back for the service.

*We all have our faults....*

*They came to tell your faults to me,  
They named them over one by one;  
I laughed aloud when they were done,  
I knew them all so well before,?*

*No, I'm not ignoring the bad that I see.  
Sometimes I wonder if her fate awaits me.  
But that's out of my hands, there's no use to stew.  
There are far more important things I need to do.*

*I'll choose to remember the good days we've had,  
And not just focus on the days that were bad.*

*Love,*

*Mike*

“ *MaryAlice, Kevin and Kelly;*

*Mom has kept me abreast of what was going on throughout the past two weeks.*

*You have all been in my thoughts and prayers during this time and are even more so with the loss you are now experiencing.*

*Though it has been some time since I have seen any of you there has always been a place in my heart for your family. You have always been Bob and Mary and Alice, my parents hippy friends and those large shaggy dogs - a smile always accompanies these thoughts. Memories from my childhood came to mind immediately and the knowledge that you have been such close friends with my parents for so long. Many friendships don't last and people come and go from our lives on a daily basis and to be able to say that you have had this relationship for more than 25 years says so much about you as individuals and as friends. I am proud that through thick and thin, good and bad the four of you have always been there for each other, what a model to build friendships from. I know you know Mom and Dad are there for you now and that warms my heart. Again, our thoughts and prayers are with you all and our hope for the future is that you find peace and some comfort that Bob is now without pain and that his soul is at peace and wishes the same for each of you.*

*All our love and thoughts.*

“ Please accept my condolences, I am gratefull to have had the pleasure of working with Bob the 7 years I have been at Boeing Tulsa. Bob will be missed and I ask God's blessings to be bestowed upon his family. Bob was one of my first students in my laser tracker class in '97 and enjoyed having him in the class.

“ I remember Bob as a cocky fellow who always had a remark for everything....He was a good father to his son's ...He went out of his way to help you when you needed help... I feel Bob and I had alot to share with each other because we were sometimes the black sheep of the family and always had something to say to each about our actions .....

sometimes we would laugh and sometimes we would just shake our heads at our own actions ....but all in all Bob Hurd was a good brother-in-law because he took care of my sister and the kids ...and he always had something to say about any and everything

HE WILL BE MISSED....

“ To Mary Alice, Kelley and Kevin,  
Bob and I hired in and retired within close proximity to each other.  
We worked around each other and together off and on through about 37 years.

He encouraged me to retire when he did.

He will be missed by me and others who worked with him.

I will not be able to come to funeral but wanted to give you my sincere condolences.

God bless you and keep you in this time of sorrow.

We can look forward to the blessed hope of meeting our loved ones when Jesus comes back. Phil Ward

“ I'm very sorry to hear about Bob. I had the pleasure of working with him for a number of years at Boeing. He was the kind of person that I enjoyed working with and around. He was always willing to help me when I needed help. He never failed to give me a straight answer to my questions, and you never walked away wondering what was on his mind because he would tell you, whether you liked it or not. I wish that we had more like him in the world. He will be sorely missed. My best to his family.

“ *I have so many fond memories of spending time with Bob, Mary Alice and the boys while growing up. Bob's unique, outrageous sense of humor and his witty and ever-ready comebacks will never be forgotten by the Carleton kids. Bob introduced us to so many things that we may have never known about if we had waited on our parents - Saturday Night Live, Pink Floyd, The Cars. He will be fondly remembered and greatly missed by all the Carleton kids and thier families.*
