“ I am so sad to learn of Bob's passing. He was one of the best bosses and the best mentor I've ever had. He was so generous with his knowledge and patient with his instruction. There are so many things that he taught me that I have been able to utilize in jobs I've had since. My sincere condolences to his wife, Barbara, and the rest of his family.

“ I had the pleasure of working with Bob at the AgriBusiness Council on the Arizona Groundwater Management Act, a historical time in the State. Bob was a statesman, a leader, forward thinker and consensus builder. I am glad to have worked with him and known his sweet wife Barbara too.

*My deepest sympathy to the family.*
