“ I was so sorry to learn of Rod's death this week. I hadn't seen him for many years but have fond memories of his wonderful laugh, his fun-loving personality and his love of life. My thoughts and prayers are with his family.

“ I have had the privilege of meeting Rod the past few months. I don't suppose any of us are ever ready to see one of our loved ones depart from us. One of the joys and the sorrows of nursing is to care for those in need and know that you have done all you can to take care of their needs before they leave this earth. I know there were many changes made in Rod while he was at Valley Springs, and I think the greatest change was seeing Rod being at peace with himself. Rod is and will be greatly missed, and I look forward to the time when I can set eyes upon him in the presence of "our" Lord and saviour Jesus!

“ What a wonderful service. You all are to be commended for rallying around the family and most of all to my precious, dear best friend, Jan, Rod's sister. Jan, you have been such a trooper. What a blessing and example you have been to so many. It has been good to hear you call him "Brother" and him call you "Sis". I know you will be lost for awhile because you have awoken every morning to check on "Brother", but God will fill your void. Our hearts and prayers go out to you all in the days ahead. Seek His face and He will meet your need. Blessings to you all, The Samuels Family
