“ *I wanted to express my sorrow on the news of Roger's passing. I know that leaves a hole in your life and as many there in Siloam. Roger had my utmost respect as an individual and of course I have many great memories of us in high school and in bands together. I know there are few more people laughing in heaven right now. My prayers are with you as God gives grace in abundance at these times.*

“ We so shocked and saddened to learn of the loss of Roger. We remember so many times enjoying the personality of Roger when our two families and others met occasionally for visits. We regret that years and miles have kept us from continuing that nice relationship. To his family, his parents and all relatives our hearts are heavy for you. We are glad for you that you know of his current presence with God. Our best wishes, Keith and Mary Ann

“ To the McDougal Family,

*I can't begin to tell you what an influence Roger had on all of the kids and my coworkers at Southside Elementary. He was one of the most genuine, precious people that I've ever known. The void at Southside is huge. Roger was a great friend to Lonnie and I and we miss him terribly. You all will continue to be in our thoughts and prayers.*

“ I will always remember Roger at Rick's Class of 1970 reunion last year. He seemed so full of life and so thankful to be there with all his friends from high school. With a smile on his face, he entertained his classmates with his wit and his gift to tell a story. He will be missed but know that he will live in our hearts forever.
