“ To the Family of Roger Minnich,

My father, Donald Oswald sends his condolences to your family. Dad remembers meeting you girls. We have heard many stories about Roger and Dad when they were young. They played basketball together and may have gotten into a little mischief in their younger days. Dad just told me this morning that they were boxing each other and dad punched Roger in the nose hard and Roger got mad at him and came after dad. Dad said he was going to beat him up. We are sending our thoughts and prayers to your family during this difficult time. May God wrap his arms around each and everyone of you and give you comfort.

“ It was always a joy to see Roger in worship Sunday mornings and to share with him and his daughters just a few minutes. He was one of those who helped make Siloam Springs grow industrially through his job, but to grow into the kind of community people still flock to. -- Randy H Rowlan

“ *"Mr. Minnich" (to us, as younger Hayes kids) was always so fun, bright-eyed, quick-witted and perhaps a bit mischievous too. So full of energy and life. Of course, you know how much Dad enjoyed working with him at Franklin Electric. Your whole family has been special to us, and my heart goes out to you girls--our favorite babysitters--at this time of loss. Would love to be there in person, but sending hugs from Tennessee. Love, Julie (Hayes) Fly*

“ *Roger Franklin Minnich was more than my Uncle. He was my friend. Though we lived hundreds of miles apart we had become close in the past several years. He was great comfort and support to me during difficult times. His sense of humor and laughter were infectious. We spent many hours on the phone making each other laugh and solving the problems of the world. I looked forward to his calls. I will miss his voice, I will miss his sense of humor, but most of all I will miss his presence in my life. RIP Uncle Roger, I Love You!*
