“ Hello I'm Diane Winterboer Ferguson. My family was neighbors with the Drittler family in the early 60s, and have stayed in touch with the family all these years. I'm saddened to see Ronny has passed to the next world. His brother, Larry, has kept in touch with us, especially with my sister, Gloria Winterboer Taylor, helping us clean up our mom's home last year. I am trying to reach Larry to let him know Gloria passed from her physical world here to her better spiritual life in the next world on Thursday, August 29th, 2024. Her struggle with cancer was short, but difficult. Her Memorial will be this next Monday, September 9th, 2024, at Mildred Cooper Chapel in the Woods in Bella Vista, Ar. Please let me know if you got this message and if you gave him this sad news. My cell #is: z(479) 236-4997. You can text me if you prefer. Thank you very much. Again, I am saddened to see Ronny has passed. I enjoyed seeing the pics of him and his family on his obituary page.

“ My uncle Ronnie always had candy, and not just any candy—lemon drops, old fashioned peppermint sticks, atomic fireballs and Juicy Fruit gum in jars in his house or stashed in his glove box in his truck. He used to take us fishing as kids. He was always patient to show us how to bait the hook and how to cast the rod. We even got to use his super cool fishing lures that were so fascinating to us!! He always had lots of treasures and neat things for us kids to go through in his garage or one of the back bedrooms. He was gentle and patient and kind. He did lots of wood working and wood burning creations. All of which I still have. I will miss him terribly. Love you Uncle Ronnie.
