“ Today a wonderful man will be layed to rest. my heart goes out to those who are left behind. I had the privlage to get to know and spend time with Ron in the element he loved most, which was on his farm with his crazy horse chica and his faithful dog chico, this was his peaceful place he would say. Ron became my father figure, my friend and my mentor at times. he gave me a home and a safe haven where the world could not touch me, for that time i am so grateful. Ron you will be so missed by so many, may you rest in peace my friend.

“ Ron will always have a special place in my heart. He was a very kind man. He took my brother's and I up in his plane over Grand Lake & Lake Eucha to look for my mom's car when she went missing. It really meant so much to our family. He also had told me recently that Hawaii was the only state that he hadn't been to. He was hoping to get to visit while I was living there. I wish it could have happened. My love, thoughts and prayers go out to the family. You have all always made me feel apart of the family and I'm so thankful for that. God Bless!

“ *Ronnie was a truly unique and wonderful person. He energized the entire family and would do anything for any one of us. I had some of the great times of my life as a young boy with Ronnie. I always hoped that the day would come that we would both settle down and have some time to spend with each other. I guess it will have to wait until heaven. Love Ya Ronnie Frank Bean*
