“ Words cannot express the overwhelming gratitude I feel towards all who knew and loved my Father... We are so blessed to have so many Friends! The only thing I can say that I wish I would have told my Dad is how PROUD I AM TO BE HIS SON!

THANKS to all for praying for our family during our time of loss. You all honor my Dads memory and your kind words ease my pain.

“ Dear Sally and family,
I went into the Thrift Store today and asked about you. Linda told me about your husband. I am so very sorry. I wanted you to know that I am thinking about you and will remember you all in my prayers. I am sorry that I did not know your last name until today or I would have already sent you my regards and concern. I did have the pleasure of meeting him there at the store ; I think he helped me get out with my "stuff". Anyhow, he seemed to be a very nice and kind man and devoted family man. May God bless and send his love and comfort to you.

Your friend,

Brenda Bailey

P.S. Please call me if there is anything I could do, or if you just want to talk. Love ya! BBa
