“ Dear Pat & Ron

Your wonderful son Ron was a major influence in my life and the creation of the "new" A-School. Ron was so very gifted and talented, he was a joy to be with. He truly was a Renaissance Man. Because of him I had a new understanding of young people that dressed in Black. I know that the Lord will really appreciate all of his talents. He will be missed but his spirit will be with us forever, especially in my life. May you find peace in knowing that Ron was important to many people. Of some several 1,000 young people I have been involved with Ron was/is/will be remembered as one of the BEST. Thank you for sharing your Son with me. Greg Markovich
