“ Shirley & family:
We were so sorry to hear of Ronnie's passing. I know you will miss him so much. You all have been in our prayers ever since we heard Ronnie had another stroke and was in the hospital. I apologize for not getting to see you, we let things get in the way of doing what we should and then it's too late.

We pray God will give you all the peace and comfort only He can give us at this time. Even though Ronnie is in a better place, we still miss him being here with us.

We love you - Bill & Judy

“ Since all of you have always treated me like family, I almost put "Black Sheep" instead of "friend"! Shirley has always been closer than a sister and Ronnie put up with my hanging around like a brother. And, you kids are like my own. What joy you all have brought me. Will always remember Ronnie's quiet ways and tolerant smile. Love to you all. Wish I could be there; but I know you understand.
