“ Roxie attended the Bethel Heights church with David's family. Her family and David's were very good friends. She was a very "good" friend of David's also. She graduated with my sister (Patty Morris). She was a "fiesty" little girl. My husband (David) passed away in February 2022. Through the years when we would visit our family in Arkansas, we would run in to her and family through church or other local gatherings. I graduated from Gentry High School in 1960. I am sending my condolence and prayers to her husband and her family, as I have recently been through the loss of David. The Lord will sustain you and bring you through this hard situation. We must remember our loss is Heaven's gain Philippians 1:21-23. Mary (Morris) Turley

“ *"Roxie," Roxanna will be missed by the remaining members of the 1962 Gentry High School Graduating Class.*

*"She was loved and respected by each member of our class. Some of our warmest moments came from her entertaining responses to the issues and challenges of just being a "high school student."*

*Our love and sympathy goes out to Garry and family and to the Wilcox families, as well.*

*May God bless and strengthen each of you as you mourn the loss of Roxanna.*
