

Roy R Avery Jr.

December 15, 1931 - December 13, 2019

Roy R. Avery Jr. passed from this life on December 13th, 2019. He was born on December 15th, 1931 near Tulsa, OK. He was preceded in death by his wife Mary Arnold Avery and by his longtime friend and companion, Wanda Howard. He is survived by his five children, George Thomas Avery, Shirley Ann Avery Green, Michael William Avery, Robert John Avery, and Robert William Avery. He was in the National Guard and also served in the Korean War. He retired from American Airlines in Tulsa, OK as a mechanic. Roy loved dancing and sounds of the steel guitar. He enjoyed attending the festival and dance at Southside Elementary every year during the Dogwood Festival. Everyone at the local Simmons Bank knew Roy and helped him in many ways, sometimes more than once a day, and Roy always felt he was well taken care of. The local Harps team also cared for Roy and helped him often, especially with deli sliced turkey for his beloved dog Bambi, thank you to everyone!

He would frequent his friends at the local O'Reilly's store as he was always working on something in his garage. Thank you.

Roy had a love for a good cup of coffee and many of the businesses near his home welcomed him in, for a hot cup of coffee and to hear one of his stories he loved to tell!

He loved his Siloam Sunday paper so he could find out when Gunsmoke would be on that week. He always said he was faster than Marshall Dillon, we never questioned him! Even into his 80's Roy was a man who always worked

hard, cared for others and always willing to lend a hand to those in need. Here at Shelter Insurance you made our days brighter, brought laughter to our office and kept us in line. We will miss you Mr. Avery, "see ya in the funny papers".
