“ *Mr. Foreman was one of the most highly regarded staff members of Decatur High. I admired his approach toward doing his daily task as a teacher & class sponsor. It was firm but very caring. I always carried that with me in my career. My father, as a member of the Decatur School Board & co worker at Peterson always spoke well of Mr. Foreman. My thoughts and prayers are with the Foreman family.*

*Mr. Foreman was a great teacher but also was an incredible "common sense" man. He was our counselor long before we had counselors. Great man. God bless and prayers for all his family and close friends.*
