“ I just want to let you know that Roy will be truly missed. He always called me "Lil Boy" when I was young and even when I saw him a few months ago in Kansas, that was what he called me. He'd laugh when he saw my face turn red from it. He was one of a kind and we all loved him alot. If there is anything that we can do for you please don't hesitate to call on us. You are all in our hearts and prayers. We love you all.
