“ Saddened to hear of the passing of Ms. Ruby. She was always a delight to be around. I remember the days when we were neighbors many years ago. Praying she rests in peace and that the family would be comforted.

“ I remember when i was little and Aunt Ruby used to babysit us and she made me sit inside and watch soap operas all day and let the boys go outside to play and i would pout lol she said outside was for the boys and the girls stayed in to watch the "programs" . She was somethin else but i did love her very much. and she will truly be missed.

“ Ruby was an amazing woman she loved her husband Melvin and son Tim of the home with every thing she had. I remember when I met her within a couple days I was at Mercy Hospital with her Melvin, and Tim to see her son Jimmy . I remember the room was full of people and he was very I'll and banged up and I stood right next to her and her son Jimmy and prayed for his healing and the strength of his family to cope . Now I say that prayer now for her and her family we talked a lot in the year I knew her and she worried and prayed about her loved ones and the ones she lost and now she is at peace. What an amazing woman the strength to hold a family together and to pass with grace . God bless you Momma Ruby I will love and miss you every day . Love your soon to be daughter -in- law Katie
