“ *As Food Service Director for the Siloam Springs School District I was very lucky to have employed Miss Ruby in the High School Cafeteria. She had a sweet, sweet spirit, a soft voice, and a very commendable work ethic - she also was one of the most beautiful ladies I knew and had a personality that made me glad to see her every time I went to that kitchen. I will miss knowing that Ruby is still with us on this earth, but she surely has a very special place with our Father God in heaven!*

“ *The first thing you felt when being in Ruby's presence was that you were getting a rare, once in a lifetime chance to spend time with an angel. I thank God for the privilege of knowing her and will always treasure every memory I have with her. I am praying for comfort and blessings for her family and sending all my love.*

God saw you getting tired and a cure was not to be, so he put His arms around you and whispered "Come to Me".

*Love and My Condolences,
Meg, Kaylee and Colton*
