“ George, Ericka and Kids,  
We cannot put into words how sorry we are about Ruby. Your mom was one of the most precious ladies we have ever known. We will never forget her cute laugh and sweet smile, she was such a joy to be around. Our hearts break for you, but knowing she is in such a wonderful place gives us a peace of mind. We just wish we could help you in getting through this. The relationship you had with your mom George was one of a kind, she loved you so much, you made everyday of her life worth living. You could always tell how proud she was of you. Your heart is so heavy now but it will get better, just know that we are always here for you. Friends like you are a treasure, and we will keep Ruby in our hearts forever.  
We love you all!!!!!!!
