“ *The memories of my Aunt Ruby include the happy and joyful greetings when we first arrived. She laughed a lot and often. Playing cards with us kids was always a priority. Many hours were spent on the back of Grey John, a great babysitter and very smart horse. To this day, I don't believe anyone made better iced tea. Any fan blowing on a hot day takes me back to naps in front of the swamp cooler. Thank you for so many wonderful memories. I never liked saying goodbye to you, so I'll just say, see you later.*

“ *I will always remember the special times we had when we went back to visit. The two things that stand out are, playing cards whenever we wanted (she always had time for us), and you could always count on a tearful good-bye, when we left (and of course we would give her a bad time about it). We will miss her, but still have wonderful memories.*

“ When I think of Aunt Ruby there is a host of wonderful things that come to mind; lazy summer days, iced tea in tall glasses, many different card games, and that wonderful laugh of hers. I think of a 160-acre wheat farm in Central Oklahoma. I can still see the black walnut trees next to the house and a swamp cooler in the dining room window. I remember a 15-foot travel trailer in which I watched numerous wonderful lightning storms at night. I still ride old Gray John at times in my dreams. I can still taste wild sand plum jelly on my toast. I remember a farmer's wife who was proud of who and what she was. She indeed was a very special person. Probably the thing I remember the most was the love that always filled that house. These are only a small part of the things that made my Aunt Ruby the person that she was. I will truly miss her.

“ *My Memories*

The many great times we (Cleo & Brownie Goodman) had at Harold (Ruby's brother) and Melba's house playing pitch with Harold & Melba Miller, Idella (Ruby's sister) & Al Smith; and Claud & Ruby. There was always lots of laughter, not only at playing cards but also with being together and having fun.

Claud and Ruby visited us in Oregon in the 70s. We toured all around Oregon seeing lots of sights and enjoying each others company.

I also remember the dances in Arkansas that Brownie and I went to with Claud and Ruby, with live music.

“ *To The Family: You are in our thoughts and prayers. We hope that wonderful memories will help you through these difficult times now and in the future. I know I have lots of great memories from time spent with Aunt Ruby, some of them being: the many summers of horseback riding, playing cards, large noon meals, sleeping on the floor, the outhouse, playing on the porch, seeing her at my basketball games and the tears that were shed when it was time for us to return to Oregon. Love, Linda*
