“ Ruste, it's been a year since you've been gone from our lives, and we miss you terribly. One of us is always commenting about how "oh Ruste would of loved that" or "who does that remind you of?" I still grieve for the Friday nights and Saturdays we missed out on spendings together, and the new add on that you and I decorated and set up so I could entice you to spend more time out here is just is not as I imagined it would be, without you in it, cackling away. I love you, Rene'

“ I and many others will miss Ruste, I was fortunate to know her from high school and after. I recall moving back to Santa Cruz in about 1979-80 and not really having a place to stay. Ruste being Ruste offered her couch for a few weeks in a home she shared with a girlfriend. Always a good caring soul. You will be missed immensely. My sister Mary also will miss her.

“ Ruste was my best friend in High School and I have been trying to find her for last couple of years. I was very sad today when a friend told me she passed. I will miss her and her contagious laughter. We always had something to laugh about. I am so sorry for your loss. Ruste will be missed greatly. Helen Abbe

*I am so sorry. A friend from Aptos text me today 7/27/14 and told me she passed. I had been trying to find Ruste for the last couple of years but couldn't remember her last name and couldn't find any pictures of her in the year books. We were always laughing in High School. I will miss her and will always regret not being able to find her. Helen Abbe*

“ *I am very sorry for your loss. I, too, have been affected by this enemy called death. What has helped me to cope is meditating on God's promise to us that there will come a victory over death. The Bible repeatedly speaks about this (Isaiah 25:8; John 6:40; 1 Corinthians 15:26; Titus 1:2; Revelation 21:4). It is my sincere hope that you will draw comfort and strength from these precious promises from our Almighty God, Jehovah.*
