“ *My mom was such a great mom and grandmother. But she was also my friend. I could not wait to come to Siloam to see her and Dad and go to Dawn Hill. We would go out to eat on Friday nights with their friends. Those were the best times. Her and Dad loved to have a good time. They loved life and they lived it to the fullest. She will be greatly missed but I know she is in Heaven with Dad and all their wonderful friends and family. Love you Mom! I already miss you so much. Love, Susan*

“ *Ruth was a true friend. We met Ruth and Virgil when we moved to Siloam Springs in 1981. We had lots of fun with them at Dawn Hill, going to Hot Springs to the races, our dinners with the gourmet club and calling the HOGS! So many memories of years pass.*

We extend our Deepest Sympathy to the family. Ruth truly loved her husband, children, grandchildren and great-grandchildren. She will be missed. May God give you all comfort during this time of sorrow.

“Ruth was the real deal, she was always the same. I met Ruth and Virgil in the early 80s and we always talked about the fun we had at Dawn Hill, their lake home, and our vacations together. Such great memories, and great friends.

God Bless the family. Please stand strong and proud of how well all of you cared for your parents. They loved all of you with a lot of pride, and you were there for them to the end. It is with belief that they are back together with all their aches behind them. They both served a great position with family, friends, and community, not to mention generosity.

If the world was more like the Alexanders this world would have no problems. I feel very proud and honored to have spent time with them in my life.

All of you are in my prayers. Hang tough and remember all the good they left with all of us.
