“ Prayers are with you Gene and Tim. So sorry for your loss. Know we haven't seen you-all in a while but always thought so much of you. James has many memories of Ruth and her family during their younger years. Wish we could be there but just can't make it but will be thinking of you. James and Doris Ann Robinson

“ Our prayers and thoughts are with you all Gene and Tim. Ruth was a person our family admired. She was one that had a big heart and loved to do for others. I can remember her cooking for people in their hour of need and sewing all the puppets for the puppet shows. She was one of a kind and a great friend and cousin to Grandma. The stories that Grandma and her use to share of them riding the horse to school will always be remembered by our family. Our kids loved knowing she had her very own tractor, and they all 3 will tell you she was a very spunky lady, and could haul hay with the best of them. Farming, sewing, and gardening was her enjoyment. She loved the Lord, and she is one more that we will be glad to see in Heaven.

“ Ruth and I have been great friends for a long time. We shared many hobbies; sewing, quilting, and many good times together. She was like a sister to me and I will miss her so very much. My prayers go out to Gene and Tim as she was the glue that held that family together. I would not bring her back to her world of pain and suffering, only to say goodbye and I will see you soon.
