“ For Debbie:

*I remember having Sunday dinner at your house when we were in elementary school or jr. high. I noticed something about the cherry pie that was different from my Mom's. Your mom told me it was the almond extract. I liked it so much that I've used it my whole adult life, and I've been praised for my cherry pie. I attribute it to her. She was always a very nice, sweet lady.*

*Rebecca*
