“ Ruth was always such fun when we worked together at Emerson Electric. She, Joanne and I were the only female supervisors. When the plant closed I really missed seeing her.

When we spent time together away from work Ruth was always so great with my son. Jason even talked me into driving over to watch Ruth play softball. I'll never forget the drive home from Gentry in the dark that night. We got a flat tire and there was this huge dog where we stopped to change it in the middle of nowhere. The movie *Cujo* had just come out! But the two little kids and I finally got our tire changed.

It is so sad to hear that Ruth is not longer with us.

To her children and family please accept my extreme sympathy.

“ Linda & Family,

*I am so privileged to have had the opportunity to have known Ruth. Visiting with her at Dollar General was good, but worshipping with her at church was great. Ruth was an exceptional lady. No matter what her circumstances were she was always smiling. She seemed to always put others ahead of herself. Linda, she was waiting for her miracle, she finally got it. It may not have been the one we wanted but she is with her Heavenly Father now. Revelation says: "God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away." So we know that she is rejoicing with her Heavenly Father right now. You might remember what 2 Peter 3:8 says: ?But you must not forget this one thing, dear friends: A day is like a thousand years to the Lord, and a thousand years is like a day.? So your mom will only be in Heaven a very short time before we see her again. This is the promise of the Lord. Our prayers of comfort will be with you.*

“ *I didn't know any of Ruths family and only knew her from the Dollar General and we also visited and she seamed like such a happy person. I am so sorry to hear of her passing away. May Gods Love and Confort be with the family at this time and always. I will miss just seeing her around and ALWAYS saying hi. Rest in Peace Ruth and thanks for being such a wonderful sweet lady.*
