“ *In Memory of my Dear Twin Sister, Sally.  
I love you so very much. You have been so courage's and loving  
throughout your entire journey of cancer and ALS. I only hope I can  
be as brave as you. Your passing has left a hole in my heart, but I  
know that you are at peace and no more pain for you.  
I'll see you in heaven.  
Love,  
Twin Brother, Dave*

“ *Work with Mrs. Sally while I was in college is something I cherish  
and will never forget all the memories made in the time I was there  
with her. I met my wife while working with Mrs. Sally at the Kappa  
Delta Sorority House, and she was always so happy any time we  
could stop by and see her and show off our kids to her. I was  
saddened to hear of her passing, but I know she is in a better place,  
she is happy, and at peace. We love you Mrs. Sally.*

“ Our sympathies go out to all of Sally's family. My memory of her is when we used to have Thanksgiving dinners at my sister, Linda Downum's house, and Sally would always bring her delicious hot rolls & other good food. I know she will be missed very much.
