“ Sandy was a dear person. I love Sandy. I have known her ever since she was just a little girl. She was always very nice and very sweet my love goes out to all of the family. I know this is very sad time for all of you, please remember, all the good times that you are and myself included enjoyed with her. I will always remember that beautiful smile that she had. And she was so much fun to be around. I don't think I ever seen Sandy after she got older that she didn't complement me on my hair. She was a sweetheart, my love to all of you. I know this is a very sad time for you, but hold on tight to all those dear memories. God bless you all I love you all Pat Boyle.

“ Sandy was a treasure to be friends with growing up in Noel. My folks ran the old Dairyette on Main Street one summer in Late '60's and Sandy was a bright shining spirit. What energy and wonder she had and could brighten any ones day. She will definitely be remembered by me anytime I hear her name. Fly High my friend
