“ One of my oldest friends, you will never be forgotten. I have so many memories of us growing up, riding bikes, me spending the night with you, making a clubhouse out of your mama's chicken coop, playing the cassette tapes & pretending we were in a band, your daddy feeding me rabbit for the first time, eating so many pickels we were sick. So many great times together. I am so very sorry that we drifted apart as we got older. The last time I saw you had just has your son & we ran into each other at the Dr's. I always knew you would be a great mom. I will never forget you. Rest in paradise Sandra. I wish we could've seen each other again.
