“ I was so sorry to hear about Sandy. She was truly a joy to be around. I remember all of her girls, what beauties, they look so much like her. She always made me laugh. “ What a wonderful womman god placed on earth to touch so many. I'm so sorry I missed offering my last respects. You know why and that's all that matters. You will be one of the first people I want to see on the other side(west). I will forever remember your kindness and patience offered to others and especially to me. You meant more to me than I could ever find words for. I will do my best to see that Krissi and Stacey are taken care of so you can visit with those who knew just how special you are in your new home, just brush your wings against my shoulder when times are trying, like we agreed. I love you and you'll be missed...for a time. Hugs !!!
