“ Bobbie,  
  
I was so shocked and saddened when I heard of Scotty's passing. I am so sorry!! He was my favorite when he was a baby. I remember staying at his house when I was about 7 years old. I would waken him during the night just so I could pick him up and comfort and feed him. I am so sorry that I am not well enough to come for the services. I will be thinking about you with love.
