“ I still think about you all of the time. I'll never forget the smile on your face on the last day of school before Spring Break. If I remember right, you had just gotten a mo-hawk, and I was commenting on your nice haircut. :-) You were such a kind, sweet kid. Nine years later, your memory lives on. Mrs. Wakeland

“ He was an amazing cousin to me. He was so sweet and very funny. He had an amazing sense of humor like uncle Sean. I remember he helped grandma Carol with her garden. I love and miss him very much.

“ Sean was a very polite young man who came into the snack bar every day for coffee. I would tease him about all the sugar he put into his cup, that I was going to have to start charging him for it. He would just smile, said he like his coffee sweet. I will miss seeing his face every day. My sympathy goes to his family and friends. May the peace of God be with you in this difficult time.

“ Sean, I do not even know where to begin!!!! I will start with I am so sorry for you and your family and know that no words I say will help your pain. Please, please know that eddie and I are here for you...we just lived this 2 years ago with my sister and her son, Chris. I can tell you it gets easier, but the pain never leaves. Try your best to remember all the good times and share those moments everyday in your head. You are in my thoughts and I wish I could take your pain away!!!!
