“ *To Sharon's Family: Sharon and I are very close in age and were always the "buds" growing up. I have such great memories of spending summers with Sharon and the rest of the family back in Texas. It was probably hotter than heck but it didn't seem to bother us. Sharon was a fighter like no other person I have ever known. She loved life and wanted to be here!! My love and prayers go out to you her precious family. I know her family meant the world to her. I will miss her person here on earth so much but her memories and smile will be with me forever. Love you all, Mary Ann*
