“ IN MEMORY OF SHARON "KAY" THOMAS

It is with deep sorrow (yet joyful anticipation of what is to come) that we share that Wayne Thomas' mother, Kay, passed away early this morning. She was diagnosed with Stage 4 lung cancer earlier this year and never gave up fighting--her family by her side the entire way. While the Lord chose not to give her a physical healing here on Earth, we certainly have confidence that she has received her "spiritual healing." Please join us in praying for Wayne, his family, and those whose lives she impacted.

"The truth about my Mom:"

God sure spent a lot of time designing my mother because she has many skill sets that make her unique. Here is just a few that I would like to mention:

- 1. Strong and Tough- because she at most times walked outside barefoot and was never scared of snakes or spiders*
- 2. Caring, Compassionate-her house is always open to anyone and no-one goes home hungry*
- 3. Conversational and friendly- she will talk or find time to watch a movie with anyone*
- 4. Giving- she often is broke because she never buys for herself but gives it all away*
- 5. Thoughtful and considerate- she is always willing to hear what's on your mind even if she does not agree with you, she still somehow makes you feel good.*
- 6. Honest & Faithful- she is deliberate to tell the truth and always follows through with her commitments.*
- 7. Greatest accomplishment- accepted Christ a few years back. Since then her heart and traits have even bloomed and been sharpened.*

I guess my evaluation of my mom has enlightened me to live life to the fullest and appreciate her love. Thank you mom for being all God created you to be.

*Love,
Your son- Wayne Thomas*
