“ Sharon never met a stranger and had such a positive outlook on life. She cared so much for others and had such big heart. She loved her family and friends and was never happier than when her family and friends were able to visit. She loved to travel and I feel so lucky being able to take her dream trip with her overseas. She had the time of her life! Sharon was a bright, shining light and the world is dimmer without her here with us.  
She will be greatly missed!

“ Sharon was a great friend and neighbor. She always had a smile on her face, friendly and caring. We cherish all the memories of us sitting outside having great conversations and laughs while we watch our kids play. We will always remember the great times we had over the years getting together for holidays, birthdays and so much more. Rest in peace friend. You will be missed.

“ *Sharon was a wonderful neighbor and friend. My kids grew up with her kids, all the same age. Lots of carpool and calls “are my kids there?” Great memories of a sweet lady. I will miss our occasional chats on social media. She’s at peace, I know, but will still miss her. Much love to her family at this time.*

“ Sharon was a very special friend of ours for many years. We had all our kids together. Sharon and I became pregnant at the same time with our second kids. She was like a sister to me and I will miss talking to her. God hold you tight in his precious arms my dear friend . Till we meet again!! Hugs and kisses to all her children who I know she loved dearly.
