

Shawn Wayne Brigance

May 26, 1975 - May 10, 2026

It is with heavy hearts that we announce the passing of Shawn Brigance, who left this world on May 10, 2026 at the age of 50.

Shawn, aka Fancy, was larger than life — loud, passionate, intelligent, and endlessly fun to be around. He never met a stranger and had a way of making everyone feel like family. Whether by blood, friendship, or brotherhood, the people in his life knew they could count on him for anything.

A proud motorcycle enthusiast and devoted member of the Boozefighters Motorcycle Club, Siloam Springs Chapter, Shawn found freedom and community on the open road. His love for motorcycles was only matched by his love for his family. His wife, children, and two grandchildren were the center of his world and his greatest source of pride and joy.

Known by many as the person to call when something broke, Shawn had an incredible gift for fixing things. Cars, motorcycles, small engines — if he could see it, he could fix it. His hands were rarely still, and his knowledge, determination, and ingenuity amazed everyone around him.

More than anything, Shawn will be remembered for the way he loved: fiercely, deeply, and unapologetically. He brought laughter, strength, and unforgettable energy into every room he entered. His stories, his voice, and his presence will be deeply missed by all who knew him.

He is survived by his beloved wife, Nanci Brigance; his children, Haylee and Cole Potter, Mason and Valencia Brigance, and Benji Brigance; his cherished grandchildren, Roman and Pierce Potter; by his parents, James Edward

Brigance and Martha Brigance; his siblings Scott Brigance and Krystal Reeves and countless friends, brothers, and loved ones who became family along the way.

Though his engines may now be still, his spirit will forever ride beside those who loved him.

A celebration of life will be planned at a later date and details will be shared accordingly.

Know that you will find comfort in the memories made throughout the years that can be carried in your hearts forever. You are not alone in Shawn's passing, I will also dearly miss the joking with each other that not many in-laws are able to do. Remember I am only a phone call away for whatever you need, even if it is just to listen. All my Love, Gwen*

“ *The world is smaller and less joyful without Shawn's smile in it. I wish there was a way for me to cushion the loss for your family. But there isn't. So I will just send my love and hope it helps a little.*
