“ *Shawn was an absolute amazing person. I went to school with him its still so hard to believe hes no longer standing here with us. I remember riding the bus with him. Id always be so cranky in the mornings heading to school hed come sit in the seat with me and always say good morning little sis smile and your day will get better then hed crack a joke. He was there for anyone that needed him regardless this circumstances. All around beautiful soul*

“ Shawn is my brother and will be missed by all. I remember him calling me one day and mamma Tonya heard him call himself fat, she threw a shoe at him and chased him and Cj around the area. They hid behind a bush and all I could hear is Shawn screaming like a little girl. I love you bubba and will miss you like crazy
