“ Not only was Sherry the mother of my good friend Jeremy, but she was my first organ teacher. I had taught my self to play the organ on the old Hammond with the short flat pedal board at Shreveport First Church, not the standard church organ. So Sherry had to undo my bad habits. We had a great time, actually. She had such a cheery infectious spirit. Did you know there is (or was anyway) a very small decrepit pipe organ deep in the dungeons of the Ozark Academy ad building? We tried to use it! We also used her status as my organ teacher to talk our way into playing the enormous pipe organs at Walla Walla College and Pacific Union College on an epic spring break college tour road trip in '93 that the Littrells kindly allowed me to accompany Jeremy on. I just have such great memories of her over those years. The Littrells were the kind of family that academies are lucky to have locally, to help dorm kids feel less distance from family. Sending thoughts and hugs to Jeremy and Angelina, Tammy, Dan and their kids, Candy and Grace, and Mandy and James. She will be missed.

Sherry was a true real estate professional. She embodied all the qualities that every Realtor should strive to have as well. It was a pleasure to work with her on a transaction.

My thoughts and prayers are extended to her family at this time. The assurance of the Resurrection comforts all believers.

I had the honor of working with Sherry over the last few months and was so impressed with her kindness and professionalism. She remained upbeat and always had a beautiful smile on her face despite her health battle. My deepest prayers and condolences to her daughter whom I also had the pleasure of meeting, and all who loved Sherry.
