“ I loved Shirley, & didn't know, she had been ill. I saw it, in the newspaper, where she had passed away. She never seemed, to have gotten over the wreck she had, years back. I knew her, from when I worked at City Hall, years ago. She always, came to my garage sales, & bought my kids things for her grandkids. She always thought, of her Family, & never of herself. She will be missed!

“ Shirley was a neighbor as I was growing up and I have a scar as a result of a bicycle ride with her!

Shirley and her family have all been dear friends and I have many great memories of those fun times.

Sorry that we lost touch the past few years.
