“ Shirley and her family were awesome people. I went to church with most of her family years ago. I loved going to their house and listening to the "old time" stories they would tell. She came from "good stock". Was sorry to hear of her passing. May GOD BLESS her family in this time of sorrow. Diane & Andy Bennett.....Gravette, Ar.

“ Shirley Setser Family; How very well I do remember Shirley her mother and her sisters. How very kind all of the Skaggs family and Shirley were to my wife and myself when we had the drugstore in Gravette. All of them were good people and I have thought of them many times. If all people were as kind as they were it would be a much better world.. My thoughts are with the family. My best to all of the family. Al Dunagin
