“ *my Aunt Shirley was proolly one of the coolest gals i ever knew.... me and her just seemed to click and we always had such good converstaions... she took time out of her day when we were in different locations to call me and find out how i was and always gave such good advice....i really loved her. I wont cry , much :) because i know where she is now and she is singing praises to God and to us and watching out for us now. we lost a good one there but now have an even better Angel to help us keep safe..
