“ Marian and family,
I was so shocked to hear of Shirley's passing. I loved working with her in PACU at SSMH. She was one of the most intelligent and caring nurses that I have ever known. I will be lifting up your family in prayer in the days ahead.

“ My family and I would like to express our deepest sympathy over the loss of Shirley.
May you find comfort in your loving memories and the warmth of family and friends. I love the beautiful promise at Revelation 21:4 when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with your loss.

“ Shirley You will truly be missed my friend / co worker. I will always cherish your friendship and the talks and text messages we shared. I will never forget the laughs and tears we shared over the phone in your final days. “ First of all to Shirley's family, I am so very sorry for your loss. I dearly loved Shirley and the friendship we shared. She was vibrant, energetic and a truly compassionate person. She was my manager at the Gulf Coast VA and was such a listener, probably the BEST listener I have ever met. I loved her smile and her blond hair. I will share this: She and another friend came over to our home one evening. We grilled out and smoked a veggie burger just for her. We then got in the pool and played volleyball. We were all new to the area on the coast and it was so fun and relaxing just to be together with "friends". I thought the world of her and will continue to think of her often. Peace and blessings to you all.
